

If your badge has not been enrolled in the Sandia system, you **MUST** go to IPOC (Innovation Parkway Office Complex) first. (From the Airport, take I-25 north to I-40 east to the Eubank exit. Turn right [south] to the end of Eubank – where Eubank makes a bend to the right [west] just before the base gate. Turn left on Innovation Pkwy, the light just before the gate. The road bends left [east] and then you turn left [north] into the lot in front of the building. Look for the sign for the Sandia Badge Office.) IPOC is located southeast of the Eubank gate. See the map at the end of this document for details on getting to the badge office. The badge office opens at 7:15 a.m. You will request to have your DOE badge put into the Sandia system. You will be asked to supply a 4-digit code in order to swipe your badge for access into limited areas.

You will then proceed to the Eubank gate. Your DOE badge will get you through the gate. Take it out of the holder and pass it to the guard. They may check ID for everyone in the vehicle so be prepared if you have riders. The second map in this document shows you how to get to TA-V. Once you are on Pennsylvania, proceed until you see the sign to Tech Areas 3 and 5. Turn right there and proceed to TA-V. The parking lot is just beyond the main double-fenced area. For those so equipped, the lat./lon. of the parking lot is 34 deg 59.959' -106 deg 32.247'.

Restricted items at Sandia

As described above, during the class, we will be in a Limited Area (LA). As at all U.S. Department of Energy facilities, each area has a long list of items that are not allowed with the LA being the most restricted. Examples of restricted items are listed below. Please be aware that **upon entering or leaving Sandia premises, all personnel are subject to search of their persons, hand-carried items, and vehicles.**

Items that are ALWAYS prohibited at Sandia:

- Firearms
- Explosives, pyrotechnics, propellants
- Illegal drugs & paraphernalia, intoxicants
- Other items prohibited by law
-
